## KAMLAND COLLABORATION MEETING 2013 IN OKUHIDA

MARCH 17TH - 20TH

AT OKUHIDA SOUGOU BUNKA CENTER(奥飛騨総合文化センター)

### Important

Gizan is a Japanese traditional style hotel called "Ryokan". So there are no bed rooms.

We have to sleep using Huton ( Japanese-style bedding) in Tatami room. (See attached file).

So Tatami room may not be comfortable for foreigners.If you want to stay in a normal hotel, please **let me know**.

As a basic plan, we are considering the following schedule,

\*\* staying between Mar. 17 and 20 (3 nights)

\*\* Conference fee: 5,000 JPY (for all participants)
